Wolfeboro

NEW HAMPSHIRE

Annual Reports

OF THE TOWN OFFICERS

FOR THE FISCAL YEAR ENDING DEC. 31, 1970

VITAL STATISTICS FOR 1970

History of Wolfeboro

Wolfeboro, New Hampshire was officially settled on the 14th of November, 1759, when John Wentworth formed a company of his aristocratic friends and acquired a portion of an original grant called Kingswood. The new settlement was given the name Wolfe-borough in memory of General James Wolfe who earlier that year had fallen on the Plains of Abraham outside Quebec during the French & Indian War. John Wentworth (Governor 1767-1775) built a vast plantation of 5,000 acres embracing most of the shores of Smith's Pond, now called Lake Wentworth. His mansion, one of the largest in New England, was completed in 1763. He became governor in 1767 and from here governed the state during the summer months of his term of office until his exile during the Revolution. He had intended that Wolfeboro should become the capital to promote settling of the interior of the new state. Incorporation was granted to the town August 21, 1770, by Governor John Wentworth.

During the Revolution, Wolfeboro became very quiet due to the exodus of laborers who had supported the Governor and his friends.

Some of the local industries of the 1800's included clay pipe factories, tanneries, shoe factories, piano stool factory, excelsior plants, woolen mills, printing plant, saw, and grist mills.

The popularity of Wolfeboro as a summer resort boomed in the 1870's and 1880's when hotels and boarding houses flourished. Vacationers continue to flock here from the cities in ever-increasing numbers to enjoy the clean air and the cool waters of our lakes.

Brewster Academy, a nationally known preparatory school occupying 65 acres in the heart of Wolfeboro, was chartered in 1820 and is celebrating its 150th anniversary this year.

Located on the northeastern shore of Lake Winnepesaukee, a town of 3,000 permanent residents, Wolfeboro serves as the business and professional center for a large area of Carroll County. A year-round resort area, leisure atmosphere and an uncluttered landscape make Wolfeboro the ideal vacation and retirement location. Every need for comfortable modern living can be enjoyed here: churches, library, a regional school, and a hospital. Wolfeboro is self-sufficient having its own power plant, water department, police and fire departments.

The obverse of the medal pictures "The Lady of the Lake" at the town dock around 1850. The "Lady" carried vacationers to Wolfeboro in that early era. The stagecoach was the forerunner to the railroad which located here in 1872.

The reverse of the medal is a view of Lake Winnepesaukee, the state's largest lake, and the Belknap Mountain Range as seen from our new town park. Visitors in any season are impressed by this panoramic view of unspoiled natural beauty. The Chamber of Commerce sign is a duplicate of those seen upon entering Wolfeboro and signifies that we have the honor of being "The Oldest Summer Resort in America", due to the fact Governor Wentworth made his summer home here prior to the Revolution.

1897 — 1970

*God Grant Me, the serenity to accept the things I cannot
change, the courage to change the things I can, and the wisdom
to know the difference.*

Noyes V. Moore

ANNUAL TOWN MEETING, WOLFEBORO, N. H.

March 10, 1970

Brewster Town Hall

10:00 A. M.

Pursuant to the foregoing warrant, the Meeting was called to order at 10:00 A. M. by the Moderator, Robert F. Thurrell.

The Moderator read Articles 1, 2, 13, 14, 15, 17, and 18 of the Warrant. A motion made by Charlesworth Neilson to act on these Articles as read; and refrain from reading the remaining Articles of the Warrant until the evening meeting; Motion seconded by Thomas O'Dowd. Voice vote was in the affirmative and so declared by the Moderator. Therefore, balloting started at this time.

7:00 P. M.

The meeting was called to order at 7:P. M. by the Moderator, Robert F. Thurrell, at which time he read the remaining Articles of the Warrant.

Donald E. Savard asked the Moderator for a standing ovation for the out going officers, especially pointing out the two Selectmen, Edward W. Zulauf and Leonard F. Hubbard.

ARTICLE 3. To see if the Town will authorize the Selectmen to sell any property taken by tax title or otherwise. Motion made by H. E. Erickson to accept Article 3 as read; seconded by Richard S. Clarke. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 4. To see if the Town will vote to instruct the Selectmen to authorize the Tax Collector to allow a discount on real estate taxes if paid before December 1st, at a rate of discount not to exceed the rate at which the Town can borrow money on short term notes. Motion was made by Raymond Berry to accept Article 4 as read. Seconded by H. E. Erickson. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 5. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes. Motion made by H. E. Erickson to accept Article 5 as read; seconded by Fred Berry. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 6. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy under the provisions of Section 42, Chapter 80 of the Revised Laws of 1942 as amended by Chapter 7 of the Laws of 1945. Motion made by John McDermott to accept Article 6 as read; seconded by Dr. Lawrence S. Toms. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 7. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in this report and listed in the Budget. Motion made by Doctor Lawrence S. Toms, seconded by Edward W. Zulauf to refrain from acting upon this Article until all other Articles had been acted upon. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 8. To see if the Town of Wolfeboro will raise and appropriate the sum of Seventeen Thousand Dollars, (\$17,000.) to have Oakwood Road properly gravelled, drains opened or replaced if necessary and paved to eliminate the rough washboard summer condition, deep mud and wash outs in spring due to clogged drains, also to eliminate dust bowl in summer. (This Article recommended by the Budget Committee.) Glennes Parker made the motion to accept Article 8; seconded; Edward W. Zulauf made the motion to amend Article 8 as follows: "This money to be raised by serial notes". Seconded by Dr. Lawrence S. Toms. Article 8 was voted upon as amended; voice vote was a two thirds vote in the affirmative and so declared by the Moderator.

ARTICLE 9. To see if the Town of Wolfeboro will raise and appropriate the sum of Seven Thousand Dollars, (\$7,000.) to install granite curbing on both sides of South Main Street, between the Post Office and Pickering Corner, (junction of Route No. 28 & No. 109). We further request that the area, the berm, between the outside of the sidewalk and the curbing be seeded to grass and maintained. (This Article not recommended by the Budget Committee.) Motion made by Raymond Berry to pass over Article 9; seconded by Benjamin Bean. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Eighteen Hundred Dollars, (\$1,800.) to rebuild Varney Road from Friend Street towards Bay Street. (This Article recommended by the Budget Committee.) Motion made by Dennis Bean to accept Article 10 as read; seconded by Raymond Berry. Voice vote was in the affirmative and so declared by the moderator.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.) to complete the rebuilding of College Road. We are appreciative of the work which has been done during 1968 and 1969, but we believe that this partial effort is not sufficient to warrant the funds already spent unless the rebuilding is completed. (This Article not recommended by the Budget Committee.) Motion made by Edward W. Zulauf to pass over Article 11; seconded. Mr. Zulauf explained that the money held over as Liability plus the TRA

money available would make approximately \$32,000. for future work on College Road. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 12. To see if the Town will vote to instruct the Selectmen to change the name of Factory Street in the Town of Wolfeboro to Lehner Street as a memorial to Eugene F. Lehner, Sr., former Fire Commissioner killed in the line of duty January 29, 1969. Motion made by Ellis Miller, seconded by Forrest Durkee, to accept Article 12 as read. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum not to exceed \$111,000.00 to provide for additions to electric substation for the Electric Department, said sum to be raised by Bonds or Serial Notes, payment to be made from earnings of the Electric Department. (This Article recommended by the Budget Committee.) Result of written ballot on Article 13 is as follows: 757 votes cast - 542 yes, 207 no - passed by more than two thirds majority vote necessary when borrowing money, and so declared by the Moderator.

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum not to exceed \$39,000.00 for the purchase of a line construction truck, said sum to be raised by Serial Notes, payment to be made from earnings of the Electric Department. (This Article recommended by the Budget Committee.) Result of written ballot on Article 14 is as follows: 757 votes cast - 526 yes, 223 no - passed by more than two thirds majority vote necessary when borrowing money, and so declared by the Moderator.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000.) for the purpose of defraying the cost of final plans and specification preparation for sewerage and sewer treatment facilities for the Town of Wolfeboro, such sum to be raised by notes not exceeding \$35,000.00. (This Article recommended by the Budget Committee.) Result of written ballot on Article 15 is as follows: 757 votes cast - 633 yes, 115 no - passed by more than two thirds majority vote, necessary when borrowing money, and so declared by the Moderator.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of Nineteen Thousand Dollars, (\$19,000.00) for the purpose of compiling a tax map. (This Article recommended by the Budget Committee.) H. E. Erickson made a motion to adopt Article 16 as read; seconded by Donald Savard. Edward W. Zulauf amended the Article to read "this money to be raised by serial notes"; seconded by Dr. Lawrence S. Toms. Discussion

followed with questions by William Cope and Edward Roundy. Voice vote on the Amendment was in the affirmative. Vote by a show of hands on Article 16, as amended was 180 yes, and 8 no. The vote carried by more than two thirds vote necessary when borrowing money, and so declared by the Moderator.

ARTICLE 17. (This Article is to be voted upon by printed ballots used for Town Officers and not at the Town Meeting. See Ballot for form.) "Do you favor adoption of the Town Manager plan as provided in Chapter 37 of the Revised Statutes Annotated?" (In the event this article shall pass, it shall become effective on the date of the annual town meeting in 1971.) Result of written ballot on Article 17 is as follows: 757 votes cast - 546 yes, 203 no - passed by more than a two thirds majority vote and so declared by the Moderator.

ARTICLE 18. To see if the Town will vote to adopt the amendments to the Wolfeboro Planning and Zoning Ordinance proposed by the Planning Board. Results by written ballot on the Amendments is as follows:

Amendment 1.	510 yes	143 no
Amendment 2.	553 yes	90 no
Amendment 3.	425 yes	190 no

All the Amendments passed in the affirmative.

ARTICLE 7. Motion made by Dr. Lawrence S. Toms, seconded by Edward W. Zulauf to adopt Article 7 as read previously, and passed over until all Articles pertaining to the Budget had been acted upon. Voice vote was in the affirmative and so declared by the Moderator.

ARTICLE 19. A motion was made by Bradford Bentley asking for a proper ceremony when the name of Factory Street is changed to Lehner Street. Seconded by Ellis F. Miller. Voice vote was in the affirmative and so declared by the Moderator.

Discussion followed on the manner of voting on Articles dealing with raising money by bonds or serial notes in excess of \$20,000.00. Mr. Claflin said he believed Mr. Chase had already made plans to introduce a bill to repeal the legislation. Mr. Russell Chase made a motion that District 7 be instructed by Town Meeting to attempt to change the law. Seconded by Richard S. Clarke; and so declared a vote in the affirmative by the Moderator. As there was no further business, the motion was made and seconded that the business meeting adjourn at 7:25 P. M. Voice vote was in the affirmative and so declared by the Moderator.

After the counting of the ballots, which followed the business meeting, the motion was made and seconded to adjourn the Town Meeting, voice vote was in the affirmative and so declared by the Moderator, therefore the Town Meeting was legally adjourned

at 10:15 P. M. At this time the Moderator administered the oath of office to the following: John G. Metcalf, Frank Taylor, Eugene Lehner, Jr., Dr. Lawrence S. Toms, Dorothy Gould, Noyes V. Moore, and Raymond F. Pollini. The other elected officers to be sworn in at the Town Clerk's Office.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Wolfeboro in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Brewster Memorial Town Hall Building in said Wolfeboro on Tuesday, the 9th day of March next at ten of the clock in the forenoon to six o'clock in the afternoon at which time an adjournment will take place, and the meeting will be called to order at seven o'clock in the afternoon at the Kingswood Regional High School, to act upon the following subjects:

ARTICLE 1. To choose a Treasurer for one year, one Auditor for two years, one Selectman for one year, one Selectman for three years, one Trustee of Trust Funds for three years, one Library Trustee for three years, one Police Commissioner for three years, one Town Clerk for one year, three members of the Budget Committee for three years.

ARTICLE 2. To choose all other Town Officers and Agents.

ARTICLE 3. To see if the Town will authorize the Selectmen to sell any property taken by tax title or otherwise.

ARTICLE 4. To see if the Town will vote to instruct the Selectmen to authorize the Tax Collector to allow a discount on real estate taxes if paid before December 1st, at a rate of discount not to exceed the rate at which the Town can borrow money on short term notes.

ARTICLE 5. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes.

ARTICLE 6. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy under the provisions of Section 42, Chapter 80 of the Revised Laws of 1942 as amended by Chapter 7 of the Laws of 1945.

ARTICLE 7. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in this report and listed in the Budget.

ARTICLE 8. To see if the Town will approve the allocation of all funds received from sale of timber cut on Town land for the sole use of the Conservation Commission, all monies to be deposited in the Conservation Commission bank account and withdrawn only with the Approval of the Board of Selectmen and a majority of the Conservation Commission. (This Article recommended by the Budget Committee.)

ARTICLE 9. To see if the Town will vote to allow the Selectmen, with approval of two-thirds of the members of the Budget Committee, to establish Capital Reserve funds for the replacement of equipment for the various departments. This fund to be a transfer from surplus whenever a cash surplus of sufficient amount exists. (This Article approved by the Budget Committee.)

ARTICLE 10. To see if the Town will vote to return to the General Fund, the amount of \$350.00 previously voted for Curve — E. Hayes. The amount of the appropriation being inadequate. (This Article recommended by the Budget Committee.)

ARTICLE 11. To see if the Town will authorize an annual fee of twenty-five cents to cover the cost of printing and handling dump permits. (This Article recommended by the Budget Committee.)

ARTICLE 12. To see if the Town will vote to authorize the Selectmen to negotiate for additional parking on whatever terms they believe to be in the best interest of the Town of Wolfeboro and any funds spent in preparing said lots to be governed by monies approved by the Budget Committee. (This Article recommended by the Budget Committee.)

ARTICLE 13. "Shall the provisions of An Act Abolishing the Police Commission in the Town of Wolfeboro, as passed by the 1971 session of the General Court be adopted?" This Article will be voted upon by printed ballots used for Town Officers and not at Town Meeting. (This Article recommended by the Budget Committee.)

ARTICLE 14. To see if the Town will vote to limit the sale of phosphate bearing detergents. (By petition.)

ARTICLE 15. To see if the Town will vote to instruct the Selectmen to establish "No Parking" on South Main Street along the entire length of the New Town Park, until such time as the Town votes to the contrary. (By petition.)

ARTICLE 16. To see if the Town will authorize the Selectmen to appoint a Citizen's Study Group of no less than five members to study the Town dumping facilities at Hyde Hill on the Beech Pond Road and their effect on the total environment and to report their findings at the next regular Town Meeting. (By petition.)

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum not to exceed \$105,000.00 for the purpose of constructing an additional water supply pipe from Upper Beech Pond to the existing chlorinating plant near the Eldridge Farm, a distance of 8000 feet more or less, said sum to be raised by the issuance of not exceeding \$105,000.00 in serial bonds or notes

under and in compliance with the provision of the Municipal Finance Act, (Chapter 33 of N. H. Revised Statutes Annotated and any amendments thereto), payment to be made from the general funds of the Town. (This Article recommended by the Budget Committee.)

ARTICLE 18. To see if the Town will vote to raise and appropriate for the construction and equipment of a sewage treatment plant, a sum not to exceed \$600,000.00 in Serial Bonds or Notes under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the N. H. Revised Statutes Annotated and any amendments thereto), the payment of \$540,000.00 of said Bonds or Notes to be made by the State of New Hampshire with reimbursement by a Federal Grant in the amount of \$300,000.00 and the remaining balance of said Bonds or Notes (\$60,000.00) to be paid by the Town of Wolfeboro. (This Article recommended by the Budget Committee.)

ARTICLE 19. To see if the Town will vote to authorize the Selectmen to appoint the Town Manager to also be Collector of Taxes. (This Article to be voted upon by printed ballots used for Town Officers and not at the Town Meeting).

"Shall the powers and duties of the Office of Collector of Taxes be transferred from said office to that of Town Manager?" (In the event this Article shall pass, it shall become effective with the expiration of the incumbent Tax Collectors term of office.)

ARTICLE 20. To see if the Town will establish a contingency fund of \$10,000.00 to meet the cost of unanticipated expenses that may arise during the year. A detailed report of all expenditures from the contingency fund shall be made by the Selectmen and published with the report. (This Article recommended by the Budget Committee.)

ARTICLE 21. To see if the Town will vote to adopt the amendment to the Wolfeboro Planning and Zoning Ordinance proposed by the Planning Board.

ARTICLE 22. And to conduct such other business that may legally come before the meeting.

Given under our hands and seal, this twenty-second day of February, in the year of our Lord nineteen hundred and seventy-one.

GERALD F. BRIGGEMAN, SR.
JOHN G. METCALF
RAYMOND F. POLLINI
Selectmen of Wolfeboro, N. H.

A true copy of Warrant—Attest:

GERALD F. BRIGGEMAN, SR.
JOHN G. METCALF
RAYMOND F. POLLINI
Selectmen of Wolfeboro, N. H.

Selectmen's Progress Report

First, we wish to acknowledge the help, advice, and counsel of our late Chairman, Noyes V. Moore. Without his willing assistance, experience, and knowledge rendered to us prior to his untimely death, this would have been a much shorter report. Unquestionably, he made many contributions affecting the progress of our Town over the fifty years he served in various capacities.

A listing of progress in 1970 including both major and minor items follows:

The Wolfeboro Selectmen's Corner in the Granite State News was established as a means to communicate and inform people about town affairs they might not otherwise hear about. We believe it is accomplishing this objective.

The Pine Hill dump was closed and all dump operations were transferred to the Hyde Hill Dump. The dump was closed when unattended and permits required for its use. As a result the volume decreased 50% and for the first time, the State Fire Wardens inspection report indicated no violations.

Another mile stretch of College Road was constructed at a cost of approximately \$30,000.00.

The following streets were officially accepted and will be recorded as such in the Town Clerk's records: Anagance Lane, Lakeview Drive, Port Wedeln Drive, and Webster Road, which was renamed Lakeview Terrace, since it is a continuation of that road.

Oakwood Road was surveyed prior to starting work as voted in Article 8 at last Town Meeting. It developed that the road bed that exists is too close or infringes on private property at various points along its route. Therefore, it must be relocated in a few spots. Also, before acceptance as a Town Road, right of way proceedings are required to have the road conform with Town subdivision regulations. When this is accomplished, the road will be fixed according to Article 8. surfacing and the pre-installation of water and sewer service to each lot as a condition for Town acceptance.

The rules and regulations pertaining to new subdivision roads were changed to include uniform specs for road construction

Several changes were made in the travel and parking ordinance including:

- a. Limit mooring of boats at Town Docks to 4 hours - 6

A. M. to 6 P. M. and no mooring between 2 A. M. and 6 A. M.;

b. Limiting boat trailer parking to the Back Bay area at the end of Glendon Street;

c. Increase the No Parking fine from 50¢ to \$1.00.

Ordinances were also approved to limit unnecessary noise by land vehicles. Research was started concerning the noise pollution factors attributed to boats and snow machines.

Supervision of the Rescue Squad was transferred to the Selectmen's Office with direct guidance to be provided by the Police Department.

The sidewalk and road area in front of the Town Offices was changed to improve parking facilities. Also new street lights in keeping with our Town Hall decor are being provided.

Both channels bordering Back Bay were cleaned out and the debris hauled to the dump. At the request of the Parks and Playgrounds Commission, a formal request was made to the North Country Resources and Development Commission to assist in developing Back Bay as a recreation area through proper drainage and land fill.

Factory Street was changed to Lehner Street as a memorial to former Fire Commissioner, Eugene F. Lehner, Sr., killed in the line of duty, January 29, 1969. At the request of the family, there was no official ceremony.

The tax map was nearing completion at year end, with minor exceptions and should be a valuable asset to the Town. As a by-product, an up dated street map and zoning district map will be available for interested parties at a fee to cover preparation costs.

The Dockside building was painted, new sills installed, and two life preservers provided. A small planting area was allocated to the Rotary Club and Chamber of Commerce for maintenance as a tree and shrub garden. The leaning wooden flag pole was replaced with a metal one by the Highway Department at a very small cost to the Town.

Water was tested at various locations for possible pollution during the summer and fall months. Nothing of an alarming nature was detected and the beaches remained open to swimming all summer.

The duties of the former Overseer of Public Welfare were assumed by the Selectmen and will continue on that basis. In cooperation with the Blake Folsom Fund a \$10.00 Christmas Dinner Gift card was presented to 62 different families or per-

sons. Willard Smith was authorized to handle the Federal Surplus Food Program. He has done a thorough efficient job which is appreciated by everyone involved.

The opening of the Town Manager position was advertised starting in September. Many applications have been made and some interviews conducted. We have not rushed to get the job filled. It will not be done until, in our opinion, we have found the best candidate.

The overall objectives of the Board were to be available to all Departments and communicate with one another in the common interest of efficiency, economy, and to conduct Town Affairs in a business like manner.

The Selectmen's Report

SUMMARY INVENTORY OF VALUATION

	1969	1970
Land	\$2,772,210 00	\$ 3,547,245 00
Buildings	9,149,155 00	10,389,095 00

BUDGET COMMITTEE'S REPORT

The Committee has reviewed the various departmental budgets for 1971. As with national and state government, the cost of municipal goods and services has increased. The 5.9% cost of living increase given to all town employees is but one cause of the upward trend.

This being the year of change to a Town Manager form of municipal government, it is necessary to provide adequate funding for salary and expenses, \$12,375.00 and \$5,000.00 respectively. To consolidate the Town Offices- a long needed item- \$15,000.00 is provided for renovation of the Town Hall.

Of prime importance to all townspeople are the two Bond proposals in the Town Meeting Warrant, both recommended by the Budget Committee. The first being the issuance of bonds in the amount of \$300,000.00 for the construction of a new sewer plant. This amount being the state and town share. The second Article is for a new water main from Beach Pond to the chlorinator in the amount of \$105,000.00. The water main extension will be a first step in a long range program to relieve the pressure problems, within the system. in light of the facts concerning these pressure problems, the Budget Committee has recommended to the Board of Selectmen that no further extensions of water mains beyond the present system will be permitted until those measures which will stabilize the pressure are concluded.

The Selectmen have proposed that the Highway Department be concerned with maintenance. Hence the Budget Committee has not approved funds for new construction. The roads have been neglected due to emphasis on new construction. The increase in the highway budget and the tar account reflect this maintenance oriented budget. Prior appropriations will be used to construct Oakwood Rd. and the South Main Street sidewalk.

To briefly mention other areas of change:

- 1 - Contingency Fund, \$10,000.00, to provide for expenditures which are unforeseen but necessary.
- 2 - Tax Map, \$5,000.00, to complete a project started in 1970.
- 3 - Public Works Garage, the amount in this item is for gas, oil, and services to all the vehicles of the Town, the right way to conduct this operation.

In conclusion the committee requests the co-operation of the townspeople in the ensuing weeks. The change of government will at times be trying for all concerned. There will be sore toes of a trodden few who believe old ways are the best, but prefer the car to the horse and electricity to kerosene. The wind of change will be but a pleasant breeze if we open the door of co-operation for the good of the town of Wolfeboro.

LAWRENCE S. TOMS. V.M.D.

Chairman, Wolfeboro Budget Committee

BUDGET OF THE TOWN OF WOLFEBORO

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 1971 to December 31, 1971. Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year January 1, 1970 to December 31, 1970

Respectfully submitted,
ALICE A. COLE
Town Clerk of Wolfeboro

TAX COLLECTOR'S REPORT

The year 1970 saw an increase in assessments and a decrease in the tax rate resulting in an increase in most tax bills. The tax rate was received earlier than the last two years, however, and the bills were in the mail on November 1st. Property taxes committed to the collector totalled \$924,522.25, an increase of \$84,496.79 more than 1969.

The age limit on poll taxes was lowered to 68, the same as the Legislature approved on head taxes in 1969.

The interest rates were increased considerably. After December 1st the interest on current year tax bills was raised to 9%, and on unredeemed taxes the interest to be charged has been raised to 11%. As this is a substantial increase I urge all taxpayers to pay their bills promptly and save this added expense.

This is the second year of my three year term of office. The town is being asked by the Selectmen to vote to have the selectmen appoint the Town Manager as tax collector at the end of my term. The Town Manager will then appoint someone in the town office as his deputy and the deputy will be doing the work of the tax collector. I think the town should have the right to choose whom they wish as tax collector and that the office should be an elective one.

I wish to thank you all again for the support you have given me in the past.

EVELYN R. ABBOTT
Tax Collector

February 22, 1971

REPORT OF HEALTH OFFICER

For the Year 1970

The past year has been a relatively healthy year. The number of contagious diseases among the children have been less than usual and the majority of illnesses have been upper respiratory ones. Many people have been protected against the severe influenza attacks by flu vaccine.

Pollution of our lakes has been a concern of many civic minded residents and efforts have been started both locally and through the State government to improve the situations.

The Public Health Nursing Association under the capable leadership of Mrs. Virginia Dolan R. N. has been very busy and provides a very important service in the care of the sick and infirm in the homes.

The Modernization Program for Huggins Hospital has had ground breaking and progress will be very evident in the months to come. The need for this new structure with all its modern equipment has been very evident to the Medical Staff at Huggins Hospital during the fall and winter because the patient load has been greater than any other similar time in the history of the hospital.

Respectfully submitted,

JAMES E. BOVAIRD, M. D.

Health Officer

LINLEY L. MOORE

HIGHWAY AGENT

Injured in line of duty,

December 24, 1970

Deceased, January 1, 1971

WOLFEBORO HIGHWAY DEPARTMENT

Report of Wolfeboro Highway Department 1970

In summing up the activities of this Department in 1970, the following roads were worked this year:

College Road, from the Lester Chamberlain's homestead to the Dale homestead, now owned by Mary Desautel, has been rebuilt, filled with gravel and place mix the entire length of the rebuilt area. New culverts have been installed, the banks will be groomed this year and all debris removed from the area.

Trotting Track Road, from Dorothy Willey's home to the end of the field has been rebuilt and tarred.

Ski Slope Road, has been about fifty per cent rebuilt with a culvert installed and gravel filled part way. The remainder of the road will be completed in 1971.

Lakeview Drive Road, graveled and tarred. This was the further section not completed in 1969.

A great many of the back roads were gravel filled in 1970 especially the roads broken up by the mud season.

The following roads were tarred this year; Pork Hill Road from Route 28 to the Ossipee town line; Dimon Corner Road from Route 28 to the Otis Bird homestead; Beech Pond Road from Joe Milot's to the end of the pavement at the dump. Both ends of Waumbec Road and a section of the Pleasant Valley Road were also tarred. We plan to tar several more roads in 1971. Many rocks were removed on the North Line Road from Route 28 to Carl Glidden's and several culverts installed. Some rocks were removed on the Haine's Hill Road and cold patch was applied.

In 1971 your Highway Department will have no major construction to complete, therefore \$1933.60 has been included in the Department's budget for culverts. This may seem like an excessive amount of money, however it is our intent to properly ditch and re-culvert many of our roads that have been neglected in the past due to a heavy work load on major construction. It is also our intent to cut the brush back to the Town's right of way so that a better job of snow plowing can be done in the winter, also a better job of drainage. All shoulders and banks will be cleaned up and groomed and debris removed from most rights of ways.

A strict maintenance program has been set up this year covering all the Highway Department's equipment. With this

program in effect we should reduce our repair costs by twenty-five per cent.

The Town has been divided into four Zones and specific men assigned to each Zone. With this system, the men will be better acquainted with their Zone, therefore a more efficient job can be done in each Zone.

It has been difficult for me to write this report as I have been Foreman only since December 24th when Linley Moore, our former Highway Agent met with a tragic accident and passed away. Mr. Moore will be missed by all in the Wolfeboro area.

I would like to take this opportunity to thank the many town's people who have helped me so much, and a thank you to the Board of Selectmen, and the employees of all Town Departments for their help and co-operation.

Respectfully submitted,
DONALD R. NASON
Highway Foreman

SUPERINTENDENT'S REPORT

WATER DEPARTMENT — 1970

Records for the main line meter show gallons used, 184,570,000 gallons which is an increase of 47,790,000 gallons over last year's reading.

The Department had a number of bad leaks, one (1) split 8" main and two (2) hydrants broken off because of the frost shifting them.

We still have trouble on the high points of North Main Street and South Main Street, during times of heavy drawing, fires, or bad leaks.

There will be an article in the warrant this year to raise the money to extend the line from Beech Pond down to the meter house to connect with the 12" installed in 1964 from the meter house to the regulating valve at Pine Hill Cemetery. The Metcalf & Eddy Engineers report indicated the present lines to be in bad condition in their 1963 report and that a new line scheduled to be installed between 1965-1970. This will not be a cure to the Department's problems, but will get the water to the regulator in volume needed to support the system. There are a number of other areas which will need changing before we correct all of our problems.

Also, this main will have to be laid within the next few years if the Town wants to keep Beech Pond for a supply of water. The present lines have not improved in the past seven (7) years.

The Board of Fire Underwriters have requested this Department to up-date the system, present and future.

It's a case of correcting our problems or paying higher insurance rates. The choice, pay the insurance companies, or up-date the system. To support you, the system needs your support.

SUPERINTENDENT'S REPORT

SEWER DEPARTMENT — 1970

This Department is in bad condition and badly in need of improvements. Tests this year were no worse than in the past few years, but they haven't been good. With the greater increase of interest in the pollution field, tests have been more frequent and more thorough. It's like the privy, it's time to clean it out or move it.

There will be articles in the warrant on a new plant, siphon line, etc. The State has ordered this Department to correct these and other problems by 1973, to protect the lakes and streams. As a resort town, it's the same as buying insurance, we cannot afford to let it go on as is.

The Department was called for:

- 42 plugged sewer services
- 18 plugged sewer mains
- 1 repair sewer mains
- 1 repair sewer services
- 3 new sewer services

H. FRED OSGOOD
Superintendent
Sewer Department

Wolfeboro Police Department

YEAR 1970

It would appear that our cry for help and assistance which was contained in the report of this department of last year was heard and heeded, as the year 1970 has brought forth a marked increase in information received from the general public, often from parents whose youngsters might be well affected by such information. This is as it should be and we feel that those who have come forward have discovered that their police department is more than willing to cooperate for the common good of all concerned.

The increase in the activities of this department should be noted in another portion of this report and are due, in part, by grants received from the Crime Commission and the Highway Safety Agency, both agencies being funded by federal funds and administered by agencies of state government.

With money received from these grants it was possible to put an officer on duty in the square during the night hours thereby substantially cutting down on infractions of the town ordinances as well as enforcing parking of boats at the town docks. A man was on duty in the police station during the day during the busy part of the summer and his duties included issuing dump permits, (800), explosive permits (12), as well as the collection of parking fines (1,031) and general office work. Two cadets were with the department for a period of ten weeks, their duties including assisting the regular officers in the performance of their duties, assisting in the police station and making a survey of town traffic and streets. This was a good program and we hope that we will participate in future programs. Officer Guy Eldridge was able to receive special training in the field of juveniles and public relations.

A similar grant allowed matching funds in the amount of \$880.00 toward the purchase of a new cruiser and a new base station in the police station which allowed us to be in touch with the Sheriff's department at all times. Additional cruiser patrol was possible through this grant resulting in a substantial number of traffic violations including drunken drivers. Several area schools were attended in general police work, as well as specialized training.

Proposals have been submitted to these agencies for this year and they include an all terrain vehicle for spring, fall and winter use, matching funds for a criminal investigator within this department and participation in the cadet program if it is made available to the towns within the state. If other programs are available, we will make every attempt to participate, particularly in the field of police officer training and a new concept

in communications which is forthcoming in the county within a short time. This new concept will tie in all police agencies within the state and will be funded by the Governor's Commission on Crime which will provide 75% and the town 25%.

At this time the department is engaged in a survey of various police departments and their filing and reporting systems with the aim of updating the system now used by our department. Because of the large number of complaints received and the increase each year, this has become necessary.

We have had many occasions to work with both county and state departments as well as other local departments throughout the year and we have found all of them to be most willing to cooperate in all instances, which speaks well for law enforcement in all areas. This is most necessary for the benefit of those whom we serve. It is often felt that the problems of today are those of the police when in fact, they are the problems of the local citizenry and we, the police, merely act as the agents of the townspeople who are the aggrieved in all instances.

This department wants to thank all those who have given aid and support to the department in the past and we look forward to being able to serve you in the best way possible in the future.

Respectfully submitted,
ARNOLD H. WENTWORTH, Chief

PARKS AND PLAYGROUNDS COMMISSION

Ice dominated the Abenaki Ski Area in the winter of 1970. With the help of the snow grooming equipment borrowed from Copple Crown we were able to keep the icy slope conditions skiable.

Destructive vandalism caused more than \$200.00 worth of damage to the motor, rope, equipment and base lodge at Abenaki. A major maintenance cost was the overhauling of the motor.

Mr. and Mrs. Al Pierce contributed a small garage to the ski area which is being used by students to store equipment at ski meets and practice sessions. With the limited space in the base lodge, this building is a valuable expansion of the facility.

The Carroll Franklin Hersey Memorial Ski jump is an important addition to Abenaki. Its construction costs were provided for entirely by private funds at no cost to the Town. This is best summed up in the dedication program . . . "Thus the Jump is a memorial, a symbol of cooperation, hard work, generosity, a challenge to youth, but perhaps above and beyond all this it is a symbol of faith in the future and an investment in ski competition for youth".

The road into the area was rebuilt this year, and plans are made to further improve the road, and hopefully, to enlarge the parking lot.

The skating rink was carried on, as usual, at Back Bay, under the able care and supervision of Henry and Margaret Valley.

Plans to develop Back Bay into a fine playground, providing a ball field, hockey rink, and other recreational facilities are being formulated . . . a dream that should come true.

The summer beach program was again very successful, particularly the swimming program at Brewster Beach. More children participated in the Red Cross swimming program than any year in the past and indication is that 1971 will be greater than 1970.

The five parks were cared for in the usual manner of mowing, clipping, and some planting.

Donald K. Brookes, as the Town's first Recreation Director, initiated a tennis program for children between the age of 10 and 18. The Town rented the Tennis Courts at Brewster Academy and tennis instruction was given by Mr. Brookes 5 days a week from 1:00 to 4:00 P. M. 79 children signed up and were organized as The Wolfeboro Junior Tennis Association. A number of adult, competent, tennis players contributed their time to assist in handling the classes and to provide advance instruction when

needed. This program was a sincere pleasure to teach. To see the children blossom from un-coordinated, all-thumbs, two-left-feet, club swinging kids, to coordinated, accurate, agile, live-wire, smooth swinging tennis players in one short season was a sight to warm your heart. It is hoped that even more will take the opportunity to come out and play tennis this summer. What other sports give such a warm feeling of freedom and self-accomplishment as tennis, skiing and swimming.

As Director of Recreation, Mr. Brookes has attended 4 Tennis Clinics conducted by the New England Division of the United States Lawn Tennis Association in preparation for the instruction of tennis. He has attended monthly work-clinic meetings as a member of The New Hampshire Recreation and Park Society. Such meetings deal both specifically and broadly with the demands of the professional recreation director, particularly as pertains to municipal requirements.

Recently, arrangements have been made with The Governor Wentworth School District for the use of the Kingswood High School Gymnasium for indoor recreation, details of which will be published in the near future.

Mr. Brookes has been meeting with the Senior Age group in an attempt to be helpful in the group's attempt to establish a drop-in center where companionship, recreation and hobbies will be available.

The Commissioners and Directors have made a sincere attempt to broaden the service of their department for the benefit of the town. They have reviewed the Study Report made by the Committee appointed by the 1965 Town Meeting, and used it as a guide whenever facilities, time and money would permit.

As in all other departments, a limited budget prevents the accomplishment of all that is needed. However, we look forward to the time when the Town will be able to adequately fulfill the needs for municipally sponsored recreation for all age groups.

Respectfully submitted,
DONALD K. BROOKES, Director of Recreation

For The Commissioners:
VICTOR CLOUTIER, Chairman
EDWARD ROUNDY
ALAN SKELLEY
JOHN TITUS
BRADFORD BENTLEY

Report of the Public Health Nursing Committee

Annual Report

In the past three years our service has been greatly expanded to cover Alton, Tufonboro, Wakefield, Brookfield as well as Wolfeboro. No patient is refused care because of financial stress. Therefore our drive for funds each year is very important, as well as the funds voted for at Town Meetings as like every one we have felt the pinch of economy.

We certainly wouldn't want our elderly or ill people to go without the necessary care to make them comfortable. Many times it could save the towns money because with the nurses visit it could keep the patients home rather than sending them to the hospital.

The nurse is the guide and moral support to the family at the time most needed as well as caring for the patient. The total number of visits made from January 1 to November 30, 1970 were 1742. It is important that we work hard to keep this service as the patients need it.

On November 13th Mrs. Davena DeWolf left us to join the Wakefield School District as school nurse in Wakefield. It was with mixed feelings that we let her go as she was loved by every one. We have worked out a temporary arrangement for her to cover Wakefield and Brookfield on an hourly basis for the winter months to save us time and expenses. We were very fortunate to obtain Mrs. Diane Comeau, R. N. of Alton Bay who wanted to work part time. With our increased case load it also became necessary to have our secretary full time.

Clinics have been held in Wakefield, Wolfeboro and Alton this year. Several of the Nursing Committee members and the nurses have attended professional and educational meetings at Crotched Mountain, U. N. H. and Concord.

I wish to thank John Waters and the hospital staff for their help and co-operation. Our doctors have been most willing to help and we hope we have been of help to them.

We the people of Wolfeboro should be very proud of our Public Health Nursing Service.

Respectfully submitted,
DOROTHY T. WILLEY

Report of the Wolfeboro Youth Center, Inc.

1970

The Wolfeboro Youth Center, Inc., now in existence for 16 years continues to provide a central meeting place for the Boy Scouts, Girl Scouts, Cooperative Kindergarten, many local organizations and the Lakes Region Hobby Craft Association.

The officers are Mary Morrison, President; Archie Hoyt, Vice President; Carolyn Rollins, Secretary; and the office of Treasurer will be filled at our next election in the Spring.

Use of the Youth Center is available for organized groups on a cooperative basis within scheduled limitations.

Many people are responsible for the Youth Center functioning as a very integral part of the Community and the Directors wish to thank all who have played such an important part.

Respectfully submitted,
MARY C. MORRISON, Chairman

This year we presented Stanton Waterman in "Man Looks to the Sea" at Kingswood Auditorium on Tuesday, October 27, 1970. Mr. Waterman has been here before and was well received.

THE COMMITTEE

Damon Russell, Superintendent of Wolfeboro Schools
C. Richard Vaughn, Headmaster of Brewster Academy
Joan Glidden, Acting President of Wolfeboro Women's Club
John Waters, President of Wolfeboro Rotary
Lawrence E. Tee, Pastor, First Congregational Church

Respectfully submitted,
LAWRENCE E. TEE, Chairman

Report of Trustees of Trust Funds

To the Honorable Board of Selectmen
Town of Wolfeboro, N. H.
Gentlemen:

We submit herewith the attached statement of the Income and Disbursements of the Trustees of Trust Funds for the Town of Wolfeboro, and the Capital Changes and Additions of the Principal Accounts for the year ending December 31, 1970.

Respectfully submitted,
JOHN M. BALLARD
GORDON H. BAKER
DONALD E. SAVARD, Treasurer

February 12, 1971

AUDITOR'S CERTIFICATE

This is to certify that we have examined the accounts of the Trustees of Trust Funds for the year ending December 31, 1970, and find them correctly cast and property vouched. The Securities held and Cash balances reported have been exhibited by the Trustees, and inventoried by us.

STANLEY F. SWANTON
CLIFTON S. NICHOLS
Town Auditors

Report of the Librarian

Talking books are now available from the State Library for those who are unable to read. This library serves one patron regularly and would be glad to serve others whose eyesight is poor.

Our book service on every third Wednesday to shut-ins was continued this last year with a lively circulation.

Films were shown to children, ages kindergarten through third grade with an average attendance of two hundred.

Classes have been held for students from the fifth and sixth grades, totalling about thirty hours.

At the time of writing this report, shelves have been built in the attic and lighting is to be installed. This will somewhat relieve our crowded shelves and still make the books available as we will be glad to bring them down for our patrons.

Yearly circulation of books, magazines and pamphlets was as follows: Adult fiction - 12,800. Adult non-fiction - 7,774. Children's books - 8034, making a total of 28,608. 423 new borrowers cards were issued. 133 books and 50 films were borrowed by mail from the State Library and 1309 from the Bookmobile.

508 new books were added. Of these 121 were gifts which were appreciated by the librarian and our patrons.

My thanks to the staff again for their loyalty and good service.

Respectfully submitted,
GLADYS H. TUTTLE, Librarian

LIBBY MUSEUM TRUST

Trustees of the Libby Museum
Wolfeboro, New Hampshire

Dear Sirs:

Due to the excellent weather, with few rainy days, the attendance during 1970 at the Libby Museum was 6,258 which was a drop of 642 from 1969.

The museum collections received three major contributions during 1970. First, the Wolfeboro Chamber of Commerce donated a set of the Wolfeboro Bicentennial Commemorative Medals complete with the lead proof impressions and a framed copy of the artist's original design for the medals. The medals include gold, gold filled, silver, and bronze pieces. In addition there are three paper weights with medals imbedded in a clear plastic.

Next, Mr. Clayton M. Wallace, a local resident, donated the Harriet E. Phelps collection of hundreds of sea shells which had been collected from many countries of the world. Mr. Wallace was given the collection by his cousin, Mr. Lawrence A. Morey, who was the grandson of Mrs. Phelps.

Then the Camp Kehonka Service Fund made a donation of one hundred dollars to purchase and mount a wildcat to replace the faded exhibit now on display.

An anonymous donor gave a few coins for the collection. Included were a 1835 half dime, a 1883 nickel (without the cents inscription), three Lincoln 1909 cents, and a punctured 1914 cent. From the public donation box the museum received a 25 centimos coin of Costa Rica and a Venezuelan banknote of 5 Bolivares.

Miss Debbie Batchelder of Mirror Lake brought a barn swallow nest, with eggs. Two very large hornet's nests were given. One by Mr. Stanley J. Caulfield of Mirror Lake, and one by Mr. Norm French of Tuftonboro. Mr. French found his exhibit while working at Mrs. W. E. Martin's house on North Main Street, Wolfeboro.

Again the Wolfeboro Garden Club planted the annual flowers in the terraced trays at the Museum. The Municipal Electric Department donated electricity for lighting, the Wolfeboro Water Department donated water, and the Wolfeboro Police Department checked the museum daily. The local radio station WASR helped by mentioning the museum on the air frequently. Several local artists loaned their paintings for exhibition at the museum. I should like to thank the Selectmen, who are also the Trustees

of the Museum, Mrs. Cole, Mrs. Jones, the members of the Wolfeboro Town Departments, the artists, the donors, and all the volunteers who aided this season. Special thanks are due Mrs. Alice A. Cole for all the extra help that she has given the director over the years. The museum director feels the loss of veteran trustee Noyes V. Moore. Mr. Moore remembered many details of the operation of the museum over a long period of years. His advice was very helpful since many of the emergencies which came up had arisen before.

Sincerely,
JACKSON H. EMERY
Director

Wolfeboro Historical Society

To The Board of Selectmen,
Wolfeboro, New Hampshire

Gentlemen:

Again in 1970 the members of the Wolfeboro Historical Society enjoyed a season of a wide variety of programs presented by specialists outside of our community as well as by some of our own members. The season opened Monday, May 4, with our first program at the Pleasant Valley School House on the Clark House grounds. Mrs. Guy Marden talked on "American Art Glass" and displayed some of her collection. On June 1, Dr. Arthur J. Good talked on "The Islands of the Southwest Pacific" and illustrated his talk with color slides. On July 6, Mrs. George Forbes Hughes talked on "My Collection of Canes" and showed us many historical canes, beautifully designed. August 3rd will long be remembered as one of the outstanding meetings, when Raymond Barlow of Windham, N. H., talked on "The Glass that the Passing of Time has made Famous", displaying many examples of Sandwich Glass from his private collection. Our Annual "Show-and-Tell" program came on September 7, several members bringing treasures from their private collections, some accompanied by color slides, all with interesting stories to tell.

The last meeting to be held in the Pleasant Valley School House was on October 5, when Floyd L. Avery of Concord, N. H. talked on "Covered Bridges". Mr. Avery has covered most of New England in his search for the few remaining covered bridges, and he showed color slides, including some recent additions to his collection.

On November 2 came the final meeting of the season, held, as has become the custom, in the home of Mr. and Mrs. Christie P. Hamilton on North Main Street. Roger Gregory who has one room in his home filled with historical old clocks and smaller time-pieces, told us about them and suggested various reference books, displaying a few of the watches in his collection. We were interested to learn that Mr. Gregory and five other local townsmen are members of the National Association of Watch and Clock Collectors.

At this meeting Mr. Clayton Wallace presented the Historical Society with the first piece of scrip issued, which he had had framed with the notice put out by the Chamber of Commerce. This deeply appreciated gift was recognized as a memorial to Harold Hart, and this is the only piece in existence. The entire membership of The Wolfeboro Historical Society extend to Mr. and Mrs. Clayton Wallace our profound gratitude.

The Chamber of Commerce presented a set of the three memorial Medals which were cast in recognition of the Bi-Centennial celebration of the founding of our town, to the the Society, which will be kept in our archives always.

With Dennis Wentworth away at college in Beloit, Wisconsin and Hollis Brodrick now employed at Sturbridge Village, Mass. in the summer, Mrs. David Fetzner, Curator of Clark House, was most fortunate to have the assistance of Miss Florence Paine in guiding visitors through Clark House and the Pleasant Valley School House all summer long. Miss Paine graciously agreed to assume the duties of Librarian after Hollis went to Sturbridge. Local people as well as out-of-towners have found in our Library many sources of information as to the history of certain pieces of land etc.

The Society was profoundly shocked by the death of our Vice President, Christie Patterson Hamilton, on January 9th, 1971. Always vitally interested in the history of his home-town and the surrounding area. Mr. Hamilton worked enthusiastically for the welfare of the Wolfeboro Historical Society. Our deepest sympathy is extended to the family of this true friend.

The Board of Directors have appointed Mr. J. Frank Goodwin, III to succeed Mr. Hamilton as Vice-President. (Known to us all as "Jeff"!)

The enthusiasm of the younger generation toward beautiful old Clark House, built in 1778 and willed to the town of Wolfeboro by Greenleaf Clark and later leased by the town to the Wolfeboro Historical Society, is heart-warming indeed. Each season more of the local residents come to visit this beautiful old house, and special guided tours are given to youngsters from Carpenter School and the Boy and Girl Scout Troops.

The Officers and Directors are grateful and much indebted to the various Committees whose reliability in carrying out their duties has had much to do with our most successful year. The Society deeply appreciates the never-failing support and cooperation of our Town Fathers, both financially and otherwise.

Sincerely yours
MARTHA HERBERT, President
By HELEN FETZER, Secretary

Report of the Wolfeboro Permit Officer

1970

During the year of 1970, the Permit Officer has issued a total of 154 Permits. The office hours on Wednesday evening continued to be very successful for persons to secure Building Permits, as well as for discussions relating to Zoning problems.

The increase of 4 dwellings over last year's total of 38 dwellings is a direct opposite of the national trend. It is interesting to note that the plans of the 42 dwelling permits issued indicate that all were to be of year-round construction, calling for full or crawl-space foundations.

The following is the breakdown of the Permits and valuations as reported to the United States Department of Commerce.

	Estimated Construction Costs
42 Dwellings	\$957,900 00
35 Additions to Dwellings	137,600 00
33 Accessory Buildings	73,000 00
5 Additions to Accessory Buildings	6,000 00
4 Commercial Buildings	38,000 00
2 Additions to Commercial Buildings	6,500 00
2 Trailers	7,500 00
1 Motel or Juvenile Camp	6,400 00
2 Additions to Motels or Juvenile Camps	18,700 00
1 Hospital Addition (Approximate)	2,000,000 00
127	\$3,251,600 00
18 Sign and Use Permits	
3 Use Only	
6 Signs Only	
27	Total Permits Issued 154

Respectfully submitted,
GORDON A. READE, Permit Officer
Town of Wolfeboro,
New Hampshire

Board of Adjustment Report for 1970

During the year 1970, 10 Applications for Appeals were received by the Board of Adjustment. Of the 10 Appeals, seven were granted, two were denied, and one decision withheld pending compliance with regulations set forth by the Board.

The \$100.00 for the 10 applications was turned over to the Selectmen and credited to the General Fund.

Paul Kimball was appointed to fill the vacancy created by the resignation of Norman Poisson.

The Board of Adjustment meets in the Town Hall Building on Tuesday nights, as required by the notifications of hearings published in the Granite State News prior to each meeting.

The Board of Adjustment
Wolfeboro, New Hampshire
WAYNE J. KELLOWAY, Chairman
PAUL A. KIMBALL
JOHN G. METCALF
W. FRED TUTTLE
CLIFTON S. NICHOLS

Report of Conservation Commission

Your Conservation Commission received an appropriation of \$1,000.00 at the Town Meeting. We were able to obtain a 50% grant from the Spaulding Potter Charitable Funds. We now have \$3,000.00 in our Conservation Fund with only a \$2,000.00 investment by the town. We hope this fund will continue to grow with the help of gifts, appropriations, etc.

The Commission also realized \$600 plus from the sale of timber and pulp from the thinning done on the Tutt and Sherbourne lots. This money was put in the general fund of the town because of legal reasons. There is an article in the Warrant to transfer it to the Conservation Fund. We hope this article will be passed.

Two members (Bierweiler and Belknap) attended a combined meeting with the New Durham Commission which proved very helpful and informative. Mr. Belknap also attended a regional planning meeting with other Conservation Commissions at the home of one of our representatives, Mr. Russell Chase.

The Commission is considering purchasing about 1,000 Autumn Olive seedlings in the spring to be distributed without charge to Wolfeboro residents who agree to plant them as a source of food for wild birds. The Autumn Olive bears a heavy crop of red berries which are favorite food of more than 30 varieties of song and game birds.

The members of the Commission would appreciate any suggestions or help of any kind and would be glad to meet with any one individual or any group at any time.

Wolfeboro Conservation Commission:
FREDERIC K. BIERWEILER,
Chairman
J. LYMAN BELKNAP
HENRY STEVENSON

Report of the Public Works Garage Committee

It is with sadness that we note the loss of Mr. Noyes Moore who passed away September 19. Mr. Moore served on the study committee which recommended the building of the Public Works Garage and organization of the administration which is responsible for the operation. Mr. Moore represented the Board of Selectmen on the committee from 1968 until his death.

During the year the Board of Public Works Garage offered repair services to all Departments and, with few exceptions of very special nature, maintenance and repair work was accomplished with a minimum of down time. As old vehicles are retired more time will be devoted to a preventive maintenance program.

A revised bookkeeping system has been designed for initiation on January 1, 1971. This system will reflect the cost of maintenance of each individual vehicle so that accurate costs will be available for analysis by each Department.

It is recommended that a truck lift be installed to facilitate truck maintenance and to eliminate the dangerous pit in the Highway Garage. It is estimated that a lift with a capacity of 36,000 lbs. can be installed for approximately \$4000.00.

Respectfully submitted,
RICHARD S. CLARKE, Commissioner
Municipal Electric Department

RUSSELL C. CHASE, Commissioner
Water and Sewer Department

JOHN G. METCALF
Board of Selectmen

Fire Commissioner's Report

1970

This is the final report of the Fire Commissioners as such. It was voted in the Town Meeting of March 1970 to do away with the Commissioners and we will be out of office as of March 1971. Retired in the name of progress.

On March 21, 1866 nineteen men of Smith Landing in the town of Wolfeborough met at the Lake Hotel to form a committee to present to the Selectmen a request to form a Fire Precinct as approved by an earlier act of the Legislature.

In June 1866 the Selectmen gave the committee \$2,500.00 to buy a used fire wagon from Dover, N. H. and other equipment. The Fire Precinct Commissioners were also in charge of maintaining the street lamps by supplying a Lamplighter.

A Legislature Act of March 16, 1897 gave the Fire Precinct Commissioners permission to establish an electric generating plant. In 1903 revision of Act 183 section No. 2 founded the office of the Electric Light Commissioners. The Precinct was disbanded by House Bill No. 407 in 1957. In January 1959, after it was voted upon by the Town, the Fire Precinct Commissioners then became Fire Commissioners of Wolfeboro. This was continued until March 1971 when the Town will come under the Town Manager type of government.

We, the Fire Commissioners of Wolfeboro, want to thank the people of Wolfeboro for their help and consideration that they have given us in the past years. We know that you will continue to do the same under the new regime.

As Commissioners, for our several years in office it is our desire to express our genuine appreciation to Chief Foss for his cooperation in making the Fire Department one of the most progressive small town departments in the state. We leave the department with real pride in his accomplishments.

Any assistance we can render to our successors will be cheerfully given.

Respectively submitted,
FORREST J. DURKEE, SR.
NORMAN A. HALE
ELLIS F. MILLER
Board of Fire Commissioners

Chief Engineer's Report

To the Board of Fire Commissioners and the Inhabitants of the Town of Wolfeboro.

I herewith submit my report for the Year of 1970.

The Department answered a total of 70 alarms for the year which consisted of 53 Still Alarms, 11 Box Alarms, 1 Brush Fire and 5 Engineer Calls. The alarms were comprised of 18, Structural fires, 18 Grass or Brush fires, 11 Automobile fires, 7 Smoke scares, 6 flooded oil burners, 6 Chimney fires, 1 False Alarm, 1 Explosion, 1 fire in a Telephone booth and a fire on a Light Pole caused by Hot wires.

In responding to the calls the department traveled, 447 miles, employed 975 man hours of labor, used 4175' $\frac{3}{4}$ " Hose, 2300' 1- $\frac{1}{2}$ " Hose, 2550' 2- $\frac{1}{2}$ " Hose, Raised 412' Ladders and used 44 Lbs. of Dry Chemical Powder.

Estimated value of the property where there was more than \$50.00 damage, totaled \$397,000.00 and the estimated loss was \$70,480.00. The Insurance carried on these properties was \$235,500.00, and the amount paid for damages was \$73,519.50.

The Department purchased 4 new Fire Alarm Boxes to be installed in 1971, replaced 7000' of fire alarm wire on No. Main St., and rebuilt 3 Fire Alarm Boxes on So. Main St. that were damaged by a High Voltage line. The Department also purchased 500' 2 $\frac{1}{2}$ " Hose, 500' 1- $\frac{1}{2}$ " Hose, and a new G. E. Portable 2 way radio.

The members of the department assisted the local schools and Hospital with Fire Drills. The Department had Building Inspections for Foster Homes and completed inspection of 25 Oil Burner Installations. There were 6 members that attended the State Fire School at Fitzwilliams, N. H. and 2 members attended classes at Gilford Training Center in Gilford, N. H., 5 members attended a Bomb seminar in the Fall, 3 members attended a 2 day school on Fire Command & Tactics at N. H. Vocational Tech., 2 members attended Mass. Safety Council meeting on Public Building safety in Boston, Mass., 2 members attended Fire Alarm School at Hampton Beach, and 1 member attended a 2 day school on Fire Fighting Tactics and Prevention at Wethersfield, Conn., 1 member attended a 4 day Conference at the New England Chiefs Association Meeting held in New Castle, N. H., and The International Association of Fire Chiefs Conference in Seattle, Washington.

The Department wishes to thank the citizens of the town, the

call Firemen, and especially the Board of Fire Commissioner's, Ellis F. Miller with 22 years as a Commissioner and Forrest J. Durkee, Sr. and Norman A. Hale with more than 20 years as call Firemen and Commissioners, for their many helpful suggestions and fine cooperation.

Respectfully submitted,
GUY L. FOSS, Chief Engineer

Report of the Forest Fire Warden

During this past year, the public has shown a great deal of cooperation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follow.

FIRE PERMITS

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (SUCH BURNING IS RESTRICTED BY REGULATION TO BE PRIOR TO 9:00 A. M. and AFTER 5:00 P. M.).

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

EXCEPTIONS

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On anothers' property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

REMEMBER! ONLY YOU AND I CAN PREVENT FOREST FIRES

Fires reported-	STATE	484 fires	-	244 acres
	DISTRICT	46 fires	-	16 acres
Wolfeboro	TOWN	1 fire	-	1½ acre

REPORT
of
MUNICIPAL ELECTRIC
DEPARTMENT
WOLFEBORO, NEW HAMPSHIRE

REPORT OF THE COMMISSIONERS OF THE MUNICIPAL ELECTRIC DEPARTMENT

It is expected that this will be the last report by an elected Board of Commissioners. In accordance with the 1970 Town Meeting our form of government will be changed in March, 1971, eliminating the various commissions, including this Board, and transferring the responsibilities to the Board of Selectmen and a Town Manager. We expect the transition to be smooth and pledge our complete cooperation.

The interest and dedication of the past Commissioners has left the town with a legacy that few, if any, other towns in New Hampshire can claim. It is fitting that a brief history of this Department be included in this report.

- 1897 - Founding of the Department supported by an investment of \$11,000.00 for the primary purpose of lighting the main streets of the Precinct. Power generated at Clow's Mill and purchased by the Department for resale.
- 1903 - First Board of Electric Department commissioners created by vote of Precinct at annual meeting. George H. Clough, Obed S. Young, and Joseph Lewando were elected commissioners at this meeting.
- 1913 - Construction of new power plant.
- 1916 - Extension of lines to serve Pleasant Valley.
- 1924 - Extension of lines to serve East Alton.
- 1927 - Installation of first diesel generating set.
- 1929 - Installation of 3rd. diesel generating set increasing capacity to 460 KW.
- 1931 - Completion of line extension serving East Wolfeboro and Cotton Mountain. Electric service now available to all residences of Wolfeboro.
- 1937 - Installation of 4th. diesel generating set increasing plant capacity to 760 KW. Addition to Power Plant completed.
- 1942 - Installation of 5th. diesel generating set increasing plant capacity to 1316 KW.
- 1950 - Installation of new type high speed opposed piston diesel generating set, remodeling of power plant building and extension and remodeling of switchboard. Selling of first diesel generating set purchased in 1927.
- 1955 - Installation of additional opposed piston generating set, selling of second diesel generating set purchased in 1927. Total generating capacity increased to 3016 KW.

- 1957 - Start of changing primary distribution system from 2400 volts Delta to 4160 volts "Y".
- 1963 - Construction of 3.8 miles of 33 KV transmission line and installation of 3750 KVA substation. Purchase of power requirement from Public Service Co. of New Hampshire began on October 24.
- 1964 - All Electric Kingswood Regional High School opened September 14.
- 1970 - Addition to substation and installation of new circuit switches.

During 1970 the Department purchased 17,958,500 KWH and generated 985,800 KWH. Sales of electric energy amounted to 16,621,498 KWH, an increase of 9.9% over 1969. The peak load increased to 4400 KW on December 28.

The bucket truck, authorized by the 1970 Town Meeting, was delivered January 18, 1971. Originally scheduled for delivery November 30, 1970, the manufacturer experienced numerous delays due to labor difficulties and shortage of component parts. The truck is now in service, and the old bucket truck has been sold to the University of New Hampshire.

The substation additions are not yet completed. Here again the manufacturer experienced delays. Partial shipment of components were received starting in July. The outdoor shelter for the distribution switches was received in September, the transformer on October 24 and the circuit breakers on November 4. Due to load conditions it will not be possible to extend the 33 KV line to the new transformer until warmer weather. Upon receipt of the necessary current transformers, scheduled for February 1st, the distribution switches will be energized. It is expected that the substation project will not be completed until late spring.

The street lighting system from Center Street to South Wolfeboro corner has been rebuilt. Approximately 44 new mercury lights were installed and the old series lights removed. It is expected that the street lights on Pine Street and Pleasant Street will be replaced with new lights and that the series street light circuit will be completely replaced within the next two years. The Department charges the Town \$13,943.00 per year for the street lighting system. This is \$12,313.00 per year less than an investor owned utility would charge. The \$13,943.00 received by the Department from the Town is paid back to the Town as a contribution in lieu of taxes.

Every effort is made to maintain continuous services to our customers but conditions beyond our control may cause a service interruption. The cooperation of our customers in reporting loss of service will greatly assist the repair crews in locating the

trouble and will expedite the repair. If the service interruption is not caused by a house fuse failure the customer should call the Department and report the outage. It is requested that the customer call even though he assumes that the outage has been reported by someone else. Loss of service, burned out street lights, limbs on wires, flashes in trees or other unusual conditions should also be reported by contacting the Department by telephone at 569-2264 or 569-1115.

By means of this report the Department conveys its thanks and appreciation for the assistance and cooperation received from all the other Town Departments.

Respectfully submitted

N. W. GOODHUE
EDWIN R. CRAIGUE
RICHARD S. CLARKE

AUDITOR'S CERTIFICATE

We have examined the accounts and balance sheets of the various Town Officers. Our examination was made in accordance with the auditing standards as required by the State Tax Commission and included such tests of the records and other supporting evidence we considered necessary. In our opinion the statements herein present fairly the results of the operations of the Town Officers for the Year 1970.

STANLEY F. SWANTON
CLIFTON S. NICHOLS
Town Auditors, Wolfeboro, N. H.
